Dear Mr. Rodolico:

The Department of Public Health (DPH) is in receipt of Change Order (CO) #1 for the above-named project. Based on a review of the CO submittal, supporting documentation, and applicable requirements pursuant to Section 22a-482-4 of the Regulations of Connecticut State Agencies, it has been determined that the work associated with the above-referenced CO is eligible for DWSRF funding.

Eligibility for DWSRF funding is outlined below.

Change Order #	Activity	Amount (net)	DWSRF Eligible Amount
1	Demolition of existing pump house and associated appurtenances and conversion of site to green space.	\$32,300.00	\$32,300.00

Total Amount Eligible for DWSRF funding \$32,300.00

The approved changes must be incorporated in the contract documents, which must be maintained at the project site and available for State inspections.
