

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Chief Jon Mann

Date Prepared: 1/12/17

Project Title: Gear Washer/ Dryer

Program Area: _____

Project Description: Give a brief (1-2) paragraph description of what the project includes. Provide basic information, such as the location, size, acreage, floor area, capacity, etc.

The Ledyard Fire Company does not currently have a turnout gear washer for its members in house. Members have to bring their gear to Gales Ferry when washing is needed. During that time members need to set up a time to meet a GFFC member at their building to drop it off. Then while they have it there, since it takes a large amount of time to get this complete it puts Ledyard's members out of responding. Also new cancer research has been coming out stating firefighters gear needs to be washed more frequently. Washing turnout gear reduces the risk of firefighters receiving cancer. The washer and dryer will be placed in the de-con room at the Ledyard Emergency Services Building.

Planning Context:

Schedule: If the project will take several years to complete, outline the schedule here and on Form 2. If applicable, be sure to include work done in prior years, including studies or other planning, and refer to the Previous Town Meeting Item.
