

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: John J. Rich _____ Date Prepared: January 5, 2016 _____

Project Title: Body Worn Camera _____ Program Area: IOE _____

Project Description: Give a brief (1-2) paragraph description of what the project includes. Provide basic information, such as the location, size, acreage, floor area, capacity, etc. *The department plans to outfit officers in the Patrol Division with Body-worn cameras to capture interactions with citizens, motorists, and arrestees. The use of such cameras has led to a reduction in complaints against officers in departments in Connecticut and nationwide. The New London County State's Attorney's Office supports the use of body worn cameras as an evidentiary benefit in case preparation.*

Planning Context:

This project is an adjunct to the In Car Video project.

Schedule: If the project will take several years to complete, outline the schedule here and on Form 2. If applicable, be sure to include work done in prior years, including studies or other planning, and refer to the Previous Town Meeting Item.

Initial Purchase Summer 2017.

Coordination: If the project is dependent upon one or more other CIP projects, identify them and indicate what the relationship among the projects is. If the project is not dependent upon, but should be linked to one or more other CIP projects, identify them and indicate what the relationship among the projects is.

Coordination with Body Worn camera project, 2018.

Previous Town Meeting Action: If the project has previously been included in the Warrant for a Town Meeting, indicate the year, the warrant article number, and Town Meeting action. Indicate the action taken, even in if the article was indefinitely postponed, referred for further study, or defeated. If there was a general planning study on which this project is now based, indicate the name of the study and when it was approved by the Town Meeting.
