

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: John J. Rich

Date Prepared: January 5, 2016

Project Title: In Car Video

Program Area: IOE

Project Description: Give a brief (1-2) paragraph description of what the project includes. Provide basic information, such as the location, size, acreage, floor area, capacity, etc. *The department plans to continue the addition of in-car video recording to capture officer/citizen interactions, traffic violations and pursuits, and evidence to improve case preparation for prosecution by the New London County State's Attorney's Office. The department needs 10 camera systems and a server for storage of video.*

Planning Context:

This project is a continuation of a project launched in the spring of 2017, which splits the cost of this new technology investment over a 5 year period.

Schedule: If the project will take several years to complete, outline the schedule here and on Form 2. If applicable, be sure to include work done in prior years, including studies or other planning, and refer to the Previous Town Meeting Item.

Initial Installation Spring 2017, lease payments in 2018, 2019, 2020, 2021

Coordination: If the project is dependent upon one or more other CIP projects, identify them and indicate what the relationship among the projects is. If the project is not dependent upon, but should be linked to one or more other CIP projects, identify them and indicate what the relationship among the projects is.

Coordination with Body Worn camera project, 2018.

Previous Town Meeting Action: If the project has previously been included in the Warrant for a Town Meeting, indicate the year, the warrant article number, and Town Meeting action. Indicate the action taken, even in if the article was indefinitely postponed, referred for further study, or defeated. If there was a general planning study on which this project is now based, indicate the name of the study and when it was approved by the Town Meeting.

Form 1. Individual Project Proposal Descriptions and Justification

Project Priority: (Note: The highest priority does not have to occur in the nearest year, and priorities do not necessarily follow in chronological order. It may be that your most important project may not be needed or be ready for action until three years from now.

1 priority within department/program area

Estimated Cost: \$ 18, 861

Instructions: Amounts shown here should agree with Form 2. For projects that will take more than one year, list each year separately and then show total.

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

- Cost of comparable facility or equipment
 - Rule of thumb indicator, unit costs
 - From the cost estimate from engineer, architect, or vendor
 - From bids received
 - Preliminary estimate, (e.g. no other basis for estimate, guesstimate)
-

Alternative Financing: Instruction: Include an amount and a source here only if it is a source other real estate tax levy. Complete this section only if you know of a specific source, such as a state or federal grant or some reliable private funding.
