

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: John J. Rich

Date Prepared: January 5, 2016

Project Title: Police Building Surveillance Program Area: IOE

Project Description: Give a brief (1-2) paragraph description of what the project includes. Provide basic information, such as the location, size, acreage, floor area, capacity, etc. *The department requests additional cameras for internal and external monitoring of the new Ledyard Police facility, to include a camera covering the stairwell, and exterior cameras to cover the north and south sides of the building, with associated views of State Highway 117 in Ledyard Center, and the relocation of one existing camera to capture additional areas of the parking area for LPD/Town Hall.*

Planning Context:

This project constitutes addition to the current security/surveillance capabilities at the new LPD facility.

Schedule: If the project will take several years to complete, outline the schedule here and on Form 2. If applicable, be sure to include work done in prior years, including studies or other planning, and refer to the Previous Town Meeting Item.

One time installation in fall 2017.

Coordination: If the project is dependent upon one or more other CIP projects, identify them and indicate what the relationship among the projects is. If the project is not dependent upon, but should be linked to one or more other CIP projects, identify them and indicate what the relationship among the projects is.

N/A

Previous Town Meeting Action: If the project has previously been included in the Warrant for a Town Meeting, indicate the year, the warrant article number, and Town Meeting action. Indicate the action taken, even in if the article was indefinitely postponed, referred for further study, or defeated. If there was a general planning study on which this project is now based, indicate the name of the study and when it was approved by the Town Meeting.

N/A

Project Priority: (Note: The highest priority does not have to occur in the nearest year, and priorities do not necessarily follow in chronological order. It may be that your most important project may not be needed or be ready for action until three years from now.)
