

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: John J. Rich _____ Date Prepared: January 6, 2017 _____

Project Title: Tactical Frequency Voter Receiver Program Area: IOE

Project Description: Give a brief (1-2) paragraph description of what the project includes. Provide basic information, such as the location, size, acreage, floor area, capacity, etc. *The department, along with the Director of Emergency Management, has undertaken a build out of town emergency communication, which is an ongoing project. This portion, to be completed in 2017, will have voter receivers and voter modules to insure reliable communications among first responders and dispatch in emergency situations.*

Planning Context:
Part of a multiphase communications upgrade in town.

Schedule: If the project will take several years to complete, outline the schedule here and on Form 2. If applicable, be sure to include work done in prior years, including studies or other planning, and refer to the Previous Town Meeting Item.

Execution in summer/fall 2017.

Coordination: If the project is dependent upon one or more other CIP projects, identify them and indicate what the relationship among the projects is. If the project is not dependent upon, but should be linked to one or more other CIP projects, identify them and indicate what the relationship among the projects is.

N/A

Previous Town Meeting Action: If the project has previously been included in the Warrant for a Town Meeting, indicate the year, the warrant article number, and Town Meeting action. Indicate the action taken, even in if the article was indefinitely postponed, referred for further study, or defeated. If there was a general planning study on which this project is now based, indicate the name of the study and when it was approved by the Town Meeting.
