

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Lt Finkelstein Date 12/16/2013

Project Title: In Car Video Program Area: IOE

Project Description: The Ledyard Police Department seeks to purchase in car video systems for all of its marked Police Cruisers. The system provides digital video/audio which is transferred wirelessly to a server provided as part of the project. This system is state of the art and has extended use expectancy. It will be highly beneficial in the documentation of Police activity for both evidentiary purposes, but also to assist in ensuring professional actions by Ledyard Police Officers. We are currently one of the only agencies without In Car Video. Full funding for this initiative was requested last year, but was reduced to \$10,000.
