

INVITATION TO CONTRACTORS TO PREQUALIFY TO OFFER PROPOSALS FOR  
THE IMPROVEMENTS AT THE HIGHLANDS WWTF IN LEDYARD  
Bid #2016-07

PHASE I PROJECT

The Town of Ledyard is inviting contractors to submit pre-qualification packages in order to bid on upcoming improvements to their Highlands Wastewater Treatment Facility located at 82 Town Farm Rd., Ledyard, CT.

The plant upgrades will include multiple phases. This is the Phase 1 Project, including replacing and installing new decanter actuators for the SBR tanks and installing motorized valves to replace existing pinch valves. Decanters and motorized valves will be furnished by the Owner. Future phases will include membrane disc diffuser replacement, mechanical screen replacement, blower replacement, pre-engineering building construction for the headworks, distribution box construction, piping modification and SCADA system upgrade.

Pre-qualification packages for bidders who desire to be pre-qualified in order to bid on the project will be due on or before 2:00 pm, October 22, 2015. Hardcopy (2 Copies) of completed pre-qualification package shall be sent to Mayor's Office, Town of Ledyard, 741 Colonel Ledyard Highway, Ledyard, CT 06339-1511. Please indicate "Bid #2016-07" on your transmittal.

The contractors will need to demonstrate the experience and technical ability to perform the work described above at a wastewater treatment facility, financial capacity, bonding capacity, technical and managerial capability.

Construction bids for performing the work will be solicited from the group of pre-qualified contractors that is selected following this request for pre-qualification.

Complete request available at: <http://www.town.ledyard.ct.us/88/Request-for-Proposals-Bids>

Contact: Charles Karno, Town Planner, [planner@ledyardct.org](mailto:planner@ledyardct.org), 860.464.3215

The Town of Ledyard is an Equal Opportunity/Affirmative Action Employer.

**SECTION 00 45 15 - BIDDER PRE-QUALIFICATIONS - PHASE 1**

**SUMMARY OF WORK**

The Work is to have a qualified contractor replace SBR tank decanter actuators (furnished by the Owner) and install motorized valves (furnished by the Owner) to replace existing pinch valves at the Highlands Wastewater Treatment Facility at Ledyard, CT.

**BIDDER INFORMATION**

Bidder's Name:

C.H. Nickerson & Co., Inc.

Contact Information:

49 Hayden Hill Rd., P.O. Box 808, Torrington, CT 06790

860-489-0455 / 860-496-4081

info@chnickerson.com www.chnickerson.com

Year Business was Established: 1939

How Many Years of Experiences in Similar Project/Areas: 76

**Trade Experience**

Please note if work was self-performed or subcontracted. Answer "Yes" or "No", and indicate years of experiences

- SBR tank decanter actuator installation: Yes - 20 + years
- Motorized valve installation: Yes - 20 + years
- Other wastewater treatment project experience: (provide project descriptions in attachment):  
See Attached

**BONDING CAPACITY**

The Bidder has a bonding capacity of \$250,000,000 per project

**EXPERIENCE**

Each Potential Bidder is required to submit information that exemplifies their qualifications to successfully implement the scope of work required by the Contract Documents. At a minimum, the information submitted shall include information requested on the forms below. Attach additional sheets if necessary.

**Previous Experience Similar to This Bid**

Provide written descriptions of at least 3 and no more than 10 previous projects with similar work efforts and similar dollar value. Project descriptions shall include the following:

1. Project Name: Lake Saltonstall WTP Alum & Phosphate Improvements  
Project Location: East Haven, CT  
Brief Scope of Work: Replace alum metering pumps, install alum day tank, transfer pump, scale and motorized valves. Construct drainage trench; demolition, pumps, phosphate mix tanks, dust collector duct mods, mechanical and electrical work.  
Date Completed: 2013  
Approximate Dollar Value: \$294,194  
Owner's Representative: Orville Kelly, South Central CT Regional Water Associates  
Owner's Telephone: 203-401-6712
  
2. Project Name: WPCF Ph. II BNR Upgrades #2011-02  
Project Location: Hartford, CT  
Brief Scope of Work: New process air blowers, aeration tank and final settling tank influent channel concrete rehab, replace return activated sludge pumps, modifications/replacement of pump for waste activated sludge system and effluent flushing water system and accessories.  
Date Completed: 2014  
Approximate Dollar Value: \$30,181,143  
Owner's Representative: Alan Pelletier, The Metropolitan District  
Owner's Telephone: 860-278-7850
  
3. Project Name: WPCF Upgrade, Contract Sewer-1  
Project Location: Putnam, CT  
Brief Scope of Work: Improvements to existing WPCF including new blower building, chemical storage, aeration tank mods, new secondary clarifiers and construction of sludge pumping station. Ultraviolet disinfection equipment for chlorine contact tanks, site improvements.  
Date Completed: 2013  
Approximate Dollar Value: \$14,729,513  
Owner's Representative: Michael Burns, PE, Fuss & O'Neill  
Owner's Telephone: 860-646-2469
  
4. Project Name: New Great Pond WTP Facility Construction, Contract \$3, DWSRF-2889  
Project Location: Weymouth, MA  
Brief Scope of Work: Construction of a new 8 million gal./day WTP including construction of mechanical process equipment; passive intake screens, raw water pumps, pre-oxidation tank diffuser wall, rapid mixers, dissolved air flotation treatment trains w/flocculation ozone system.  
Date Completed: 2010  
Approximate Dollar Value: \$32,349,618  
Owner's Representative: Stephen Olson, Environmental Partners Group  
Owner's Telephone: 617-657-0268

5. Project Name: Devens WWTF ICI Ph. II  
Project Location: Devens, MA  
Brief Scope of Work: Main pump station upgrades, new SBR and sludge press.  
  
Date Completed: 2009  
Approximate Dollar Value: \$5,339,418  
Owner's Representative: Kenneth McCance, Earthtech, N.E.  
Owner's Telephone: 518-951-2200
