Re: Town of Ledyard
Phase I – Needs Analysis
Wastewater Facilities Management Plan
Review of Outlying Areas

Dear Mr. Steadman:

The engineering report entitled *Wastewater Facilities Management Plan, Phase I: Review of Outlying Areas*, dated November 22, 2010 and prepared for the Town of Ledyard by Maguire Group Inc. has been reviewed by the Department of Environmental Protection.

In accordance with the requirements of Section 22a-482-3 of the Regulations of Connecticut State Agencies, the report is hereby approved. This letter represents final approval of this document. Phase II will evaluate additional alternatives that were not reviewed in this Phase I report, and finalize a sewer service area map that was started in Phase I.

This APPROVAL does not relieve you of the obligation to obtain any other authorizations as may be required by Federal, State or Local laws or regulations.

If you have any questions relative to this matter, please contact Ivonne Hall at (860) 424-3754.

Sincerely,

Paul E. Stacey
